

21st February 2014

Dear all,

RE: Public Health Van Launch

On behalf of Camden Council, Solutions4Health are providing free, local public health services for those who live or work in the Camden area. We are deploying a **Public Health Van** to reach the heart of the community and provide easily accessible services for Camden residents.

We would like to invite you to the formal launch of the Public Health Van (picture below) on **1st March 2014** at Queen's Crescent Market from **12 noon to 2pm**. We will be there as part of the celebrations marking the one year anniversary of the Queen's Crescent Community Association taking on the management of Queen's Crescent Market.

Solutions4Health Van offering Public Health Services in the community, 2014

On board, we will be offering health services including **NHS Health Checks** and **Stop Smoking Clinics**. Trained staff will provide health testing, advice and help local people access services that promote a healthier lifestyle. This will include:

- **Apples & Pears:** help for both adults and children to lose weight
- **Smokefreelife Camden:** help to stop smoking
- **Camden Alcohol Service:** advice about drinking
- **Give It A Go!** free vouchers for leisure centre membership for some residents
- **WISH+:** access to free smoke detectors, well and warm home visits, energy advice, help for older and disabled people and much more
- **Lung function test:** for lung health
- **iCope:** for people who feel stressed, anxious or depressed

If you would like to attend or if you would like more information about this event please email Stephanie King on stephanie.king@solutions4health.co.uk or call 020 3317 3701.

Yours faithfully

Dr. Paul Fox
Deputy Director of Public Health
London Borough of Camden

Leena Sankla
