## **Advisory Board**

**Dr Shakuntala Kalla**  
*MS, FRCOG*

**Consultant Obstetrician &, Gynaecologist,  
Wexham Park Hospital**

Appointed Consultant Obstetrician & Gynaecologist at Wexham Park Hospital in 2002. Her special interests include high risk obstetrics, fetal medicine and ultrasound scanning.

Her training in high risk obstetrics and fetal medicine commenced at Queen Charlotte's Hospital London/Royal Postgraduate Medical School where she completed the Advanced Diploma in Obstetrics and Gynaecology. She completed her training in the Oxford Deanery including the John Radcliffe Hospital, Oxford.

As a Consultant for the last 10 years, she has continued to develop her sub-specialty interest in fetal medicine at King's College Hospital, London in the internationally renowned Harris Birthright Centre chaired by Professor K Nicolaides. She has developed research collaborations between Wexham Park Hospital and King's College Hospital, including participation in multi centre trials in pre-term labour.

She has private consulting rooms at Princess Margaret Hospital, Windsor and The Paragon Suite at Wexham Hospital.
